How could she choose him over me? He's not even her age, let alone the same species!

It's just
sick.

It's a sick
relationship.

It's a bit
weird, yeah.

But y'know...
Maybe she'd like
you better if
you weren't such
a cock.

I just
meant you're
a rooster,
dude!

Clearly she's
not into that
sort of thing!

Pfuh!

Well I
know what's
best for her,
and it is
definitely
not him!

If I see
them together
again, I'm
giving him a
piece of my
mind!
